Users have also appreciated the app's focus on building genuine connections and authentic friendships <sup>2</sup>. Some of the key features that users have enjoyed include: - **\*Verified Profiles\***: Users have appreciated the app's emphasis on verified profiles, which helps to ensure a safe and secure community <sup>3</sup>. - **\*Secure Chats\***: The app's Nice app Its very user friendly app, easily we can create new friends and time managing one, must try everyone. This app is very excellent for making freinds and talking anytime with new friends I like this

♥ Iam in love with the dostt application. This apps was useful and funny. I absolutely loving the dostt app and in this app I'm connected so many frnds and family it's a great app Simple interface, good match suggestions. Found some interesting people! Worth a try if you're looking to connect. I use this app it was amazing you should use it too This is very helpful app and had very simple features. It doesn't really match anyone of my demographic preferences, but it's overall better than most so called 'friends' making app, I'll probably continue to use this as well until I find any other platform which is better. This app is very good for users Best app in the world This is a very good app for making friends and is also usefull for all introvert who face difficulty Recently I started to use this app.I love this app.I am very impressed with this app This aap is very useful wery wery nice I recently started using the dostt app its really good app entertainment meet for new friends loving this dostt app This app is a waste of time and money, i get introduced it as a money gaining app then understand it's a paid voice/video call app, still all the others i saw in here just some scams,it literally drain out our money I very very happy using this app so usefully app 😊 so happy using this app thankq so much Nice chat app Dost app is the best app for find a new friend and spend your time in this application This app is very good and it's an user friendly app . It makes staying easily connected with friends . I would highly recommend this app to everyone. Once use your internet connection will become week Good app easy to use. Nice I couldn't contact back the person who I have already contacted. this is very best application I used this application. I have just started using the Dost app and it seems like a fun lite way of connecting with friends family and acquaintances. It has simple and easy UI/ UX and I look forward to making it my primary app for connecting with friends and family. I am absolutely loving this app. Reliable and incredibly user friendly interface it has. Try it 👍 very helpful app to connect more and more friends This app is very good and nice app I love

using Friend Dostt for its seamless interface, engaging community, and intuitive navigation. Though occasional glitches occur, its innovative features enhance connectivity. A must-try for anyone seeking social interactions. I'm using this app user friendly interface and other features of this app extremely good 😊 Dostt app very best app for me Dostt is a social networking app connecting people to make new friends, share interests, and join communities, fostering meaningful relationships and friendships. This app is awesome This app is good I like this app it is very good this helps me thanks Very much Nice I like it very Fantastic app gives you a lot of new experience I'm absolutely fine loving the Dostt app! It's revolutionized the way I connect with friends and family, offering so much more than your average messaging app. The seamless interface makes it effortless to stay in touch through texts, voice calls, or video chats. I'm particularly fond of the group chat feature, which streamlines event planning and sharing updates with multiple people. I've been using Dostt for a while, and it's an amazing app! It makes staying connected with loved ones easy with its simple, user-friendly interface. I love the clear video and voice calls, and the app doesn't consume much data. It also feels secure and private, giving me peace of mind when sharing personal messages. One of the app's strongest features is its emphasis on privacy and safety. Users can connect with others while keeping their personal information secure, which makes it a reliable space for social interactions. The presence of verified profiles adds another layer of trust, ensuring that conversations remain authentic and enjoyable. Dostt is an amazing app for connecting with friends! Super user-friendly and fun to use Highly recommend Dostt for anyone looking to stay connected and make new friends effortlessly Loving the features on Dostt! It makes friendships more meaningful and interactions more exciting It's working only one day for me..it's not working now then it's only a fake app It is nice to have this application...easy to use and very sincere. I can make friends or connect with people and share our thoughts ❤️🙏. Thanks Very nice app I like Dostt app very much and it is also safe and secure for our data and privacy it seems better for us to use this social media app, it also doesn't allow screenshots. It is very good and it is easy to use. Call is not connecting I have been using this app a while now. It is very useful and user friendly. Simple way to connect friends and family. This app is very useful "Dostt is an amazing platform for making genuine connections! The app is user-friendly, secure, and filled with real people looking for meaningful conversations. I love how it prioritizes privacy and ensures a safe space for discussions on relationships, career, and life. Highly recommended for anyone looking to expand their social circle!" I am using this app now. It's easy to connect to family and friends and its interface is very user-friendly. Its features are very amazing compared to other message apps. It is my first time using this app. It is a fantastic app. We can make 100% genuine friends. And also verified profiles, secure online calls. Thank you so much for this app. This is a good app This app is best for creating friends Good app Nice👍👍👍 app "Connecting people through meaningful conversations in a user-friendly interface." "Empowering friendships with seamless messaging and easy sharing options." "Building lasting connections one chat at a time, effortlessly." "Create, share, and bond over your favorite memories with Dostt." "Redefining social interaction with personalized, intuitive messaging features." "Your new go-to app for authentic, real-time communication." So please guys please install and use this application. Dostt is a great platform for meeting new people and making friends. The app's user-friendly interface makes it easy to connect with like-minded individuals, whether for casual chats or meaningful friendships. The verification process helps ensure a safe environment, and features like interest-based matching enhance the experience. Very nice app to join my friend and family Absolutely good app It is Fun, engaging, and a safe space to connect! Make new friends, join communities, and participate in events, user-friendly interface, perfect for socializing, highly recommended!" This platform is social communicative to anyone for gathering friends and to make awareness of business, likings interest, chat, to know the things other than internships. Making a gateway with a young person is independent freedom and that is good for improving legally worth I've been using Dostt for a while now, and I must stay it's a fantastic app! It makes staying connected with friends and family so much easier. The interface is simple and user-friendly, which makes chatting and sharing moments effortless. One feature I really love is the seamless video and voice call -the quality is always crystal clear This app is very cool, I found it very cool, you

will also find it very cool, everyone will find it very cool, why not, with this app you can make friends, you can also make friends I've been using the Dostt app for a while now, and it has truly exceeded my expectations! The user-friendly interface makes it easy to navigate, and the app runs smoothly without any glitches. One of the standout features is its fast and reliable messaging system, ensuring clear and hassle-free communication. Such a wonderful app everyone should download it and use it Dostt app is a highly useful app. It really helps you to connect with good friends. nice app. Bhai nice app 😊😊 This bad app don't like this bad real dhiyrk Best app for me it \s very useful for me and my friend 😊 us फूल ऐप 🙌🙌 Dostt app is amazing app.. here you can make friends with everyone.. I like the personality very much. I'm absolutely loving this app it's very useful dostt app I've been using Dostt Apps Dostt app is very nice app Getting a true companion has been a task not easy so much . But with Dostt app and its user-friendly interface we make it very easy to find our life-partner. On the other hand we get a high level of security while making chat, voice or video messaging with our friends. The renowned app since the date it launched!!! Is very nice we can use it to chat with dost we can make me friends we can link with a friend Good app easy to use it's fantastic for meeting new friends! The user interface is simple, and it's easy to connect with like-minded people. I love the engaging features like chat rooms and personalized recommendations. It's safe, fun, and a great way to expand your social circle. Highly recommended! I'm absolutely loving this dostt app and iam connect with friends and family Dostt App is amazing for making new friends! Easy to use, great features, and a friendly community. Perfect for meeting like-minded people. Highly recommended for social connections! The Dost app has multiple versions, each serving a different purpose. Here's a breakdown of what I found: Dost App for Telangana Admissions This version is designed for students in Telangana, India, to apply for undergraduate courses in various colleges <sup>1</sup>. The app is developed by the Centre for Good Governance and is available for free on the App Store. It's rated 4+ and requires iOS 12.0 or later. Dost App for Workplace Inclusivity Another version of the Dost app focuses on promoting diversity It is an very good experience while using the application and it is very helpful for all people This is Best app to find the new friends It is a great app way to make new friends. Video and audio quality is very good. Making friends is also easy. So I recommended to all to join this app. This is the best app I have seen . Because of this I make new friends. This app is very good and interesting go for it I am abousilty loving the dost app This is so much this app is very interesting Im absolutly loving this application. I can connect with my friwnds and family very easily The absolutely loving the dost app and easy to make new friends and healthy relationships just I love it this is Good app Nice Very nice and recommended app for making a lot of friends. Best app to new friends. I recently started using the dostt app, this is amazing platform for making good and true friendship. Highly recommended this app to anyone. Very very nice aap I like this dosth app this app is real dosth Dostt is a social app that connects people with similar interests, allowing users to chat, share, and make friends. Reviewers praise the app's user-friendly interface, diverse community, and engaging features like quizzes and games. However, some users have raised concerns about the app's moderation and safety. Overall, Dostt seems to be a popular platform for those looking to expand their social circle and meet like-minded individuals. Dostt app its a wonderful app that connect with people . i m auing this for a while its a best to stay connecyed woth friends and family. I have met new people here good experience and its a safe and secure app Dostt App is a very great app for me I really like it thank you so much keep it up.....

👍❤️ This app is to make new friends in our surroundings. friendly interface and secure Dostt App is a great platform for meeting new people and making friends with shared interests. The app has a user-friendly interface, allowing easy profile customization and chat features. Matching algorithms help connect users based on hobbies and preferences, making conversations more engaging. This is very good nice 👍 and for online friends I used it you should also use this app ⭐ "Dostt App: Find Your Tribe, Make Unforgettable Memories Together!" Very good app ❤️ help full great Wonder full app good working Very Super app This is the very best app for me and you I am proud to you know that is a very beautiful app Well I got recommended to use this app and I installed this app, I don't know this app is for making friends and etc., I like this app, and I got to meet with new friends. Dost app is best app Best aap in world Dostt app make
